*Developed by the Alaska Autism Resource Center  
funded by the Department of Education and Early  
Development and The Mental Health Trust Authority*

Connecting Alaskans  
Affecting Lives

# Supporting Alaskans with autism spectrum disorders, their families, and communities through:

## Education

- Provide referral information to families seeking diagnostic and support services for their child with ASD.
- Team with other organizations and agencies to broaden the scope and availability of ASD services in Alaska.

## Collaboration

- Provide in-service training to school district personnel in remote, rural, and urban Alaska.
- Work with community, medical, and adult service providers to increase understanding of and appropriate services for individuals with ASD.

## Communication

- Provide up-to-date, information on all aspects of ASD via in-person and distance consultation.
- Maintain a user-friendly website including autism information and a schedule of upcoming events and trainings.

## Our Resources

- Experienced staff
- Toll-free information line
- User-friendly website Lending library of books, videos, & DVDs
- Calendar of local and national events and trainings
- Video and teleconference available
